

SKILLS

Semantic HTML	CSS	A11y (Sec508/WCAG 2.0)	Working Remotely
JS (React/Redux, Angular)	Agile development	Rapid Prototyping	Writing unit tests

EXPERIENCE

AETNA / SENIOR SOFTWARE ENGINEER - FRONT-END *feb 2018 - current*

Helped build new, reusable components for the Aetna component library with multiple front-end teams; significant contributions made to the layout component built using CSS Grid that includes support for IE10. Part of a small, remote front-end team that builds new features such as payments for claims and provider search. Provide engineering support for product, accessibility, design, and content teams.

KALKOMEY / SENIOR FRONT-END DEVELOPER *oct 2015 - aug 2017*

Introduced the use of styleguides along with the SMACSS/BEM to all new projects for more consistent, rapid development. Served as a liaison between rails engineers and designers. Helped build the internal content/learning management system. Led the front-end development for the customizable storefront that allows US state agencies to sell and manage state licensing products.

JOINEM / SOFTWARE ENGINEER II - FRONT-END *april 2014 - aug 2015*

First front-end engineer hire at a social e-commerce startup part of a small engineering team. Took a concept and built a mobile-first/RESTful API driven single page web application. Created the styleguide for the public facing web application. Helped with the UI design as needed.

APOLLO INTERACTIVE / FRONT-END DEVELOPER *aug 2013 - april 2014*

Built new web pages, responsive email templates, fixed bugs, and added new features for client websites including Wingstop and Visionworks. Collaborated with designers, account managers, and clients to define and build pages that meet both user and client organization needs.

ONLINE PERFORMANCE MARKETING / WEB DEVELOPER *mar 2013 - aug 2013*

Built/designed custom, responsive WordPress themes (PHP) for new clients from high-fidelity prototype to fully launched websites. Created WordPress plugins as needed.

UT-DALLAS / DESIGNER + DEVELOPER *nov 2011 - may 2013*

I maintained the content on the recreational sports department site. Relaunched the new department site in May 2012. Designed posters, flyers, and graphics for campus/student events.

EDUCATION

UT-DALLAS / BA, EMERGING MEDIA & COMMUNICATION *2011-2013*

EL CENTRO COLLEGE / AAS, ARTS & TECHNOLOGY *2008-2011*
